PAT testing: PAT testing of medical items is included in the calibration prices above. We also offer PAT testing of non-medical equipment. This is priced at £0.85p + VAT per electrical item when carried out in addition to medical calibration.

Fixed Price Contracts: We also offer fixed price contracts for 2 or 3 years, this offers an additional discount per visit as well as securing your price for those years. You can even book ahead to ensure that the testing is scheduled for following years.

Price Match: We believe that our prices are competitive, however if you have been offered a better price elsewhere we will do our best to match or better it for you!
